

Improving Commuting Experiences

Public transport journeys have become even more inclusive. Read on to find out what's new!

Outreach to Schools through Assembly Talks

- ✓ CHIJ Secondary School and North Vista Primary School are now our partners in the Caring Commuter Champion journey!
- ✓ Click [here](#) to find out how we reach out to students to be a caring commuter.

Launch of Helping Hand Scheme

- ✓ The "May I have a seat please" initiative has been expanded to include two new cards under the Helping Hand scheme. Read more about its islandwide adoption [here](#).

About Dementia

There are different types of Dementia. The most common type is **Alzheimer's Disease**, which is mainly associated with memory loss.

Other types of dementia include Vascular Dementia, Lewy Body Dementia & Fronto-temporal Dementia.

Created in collaboration with Dementia Singapore & Agency for Integrated Care

Elective Course on Supporting Persons Living with Dementia

- ✓ Statistics have shown that 1 in 10 above the age of 60 have dementia*.
- ✓ Join us to understand and offer the support needed for persons living with dementia, by starting your learning [here](#).
