

Caring Commuter Week 2025 Activities

Join us at our roving exhibition to experience the journey from a different perspective. The exhibition features four interactive zones designed to foster empathy and understanding among commuters and reflect our shared values on what Singapore stands for – a ‘we-first society’ where everyone will always look out and care for one another.

Key Activity Highlights:

- **Immersive Escape Room:** Step into a public transport-themed escape room to solve puzzles and deepen your understanding of the different disabilities and challenges some commuters face. Participants who successfully complete the activity will receive a commemorative prize.
- **Learn and Pledge:** Gain valuable insights on the importance of mutual assistance and learn how you can sign up as Caring Commuter Champion to promote a more gracious, caring and inclusive commuting culture.
- **Online Contest:** From 31 Oct – 7 Nov 2025, and 10 Nov – 15 Nov 2025, take part in our online contest to test your knowledge about the Caring Commuter Week and the Caring SG Commuters Movement for a chance to win limited-edition prizes.
